

To whom it may concern,

My name is John Torres, QHSE Manager at American Industrial Plastics, LLC. I had the pleasure of working with Mel DeGregorio for a little over a year. Without hesitation, I have complete certainty in her exceptional skills, professionalism, and valuable contribution.

During our time together, Mel proved to be bright, knowledgeable, and diligent in helping us to become and maintain regulatory EHS compliant. Her collaboration and auditing skills were truly impressive.

Mel's passion and expertise in Environmental and Regulatory compliance truly extended beyond our expectations. In conclusion, I enthusiastically recommend Mel DeGregorio for any company who requires help to become ISO certified/EHS compliant. She embodies a distinctive blend of character, competence, and skills that make her an invaluable asset to any organization who needs Green Up Consultants services.
